# THINGS TO KNOW

## When do we need to pay?

Full payment for your group is required upon arrival. Tickets will be issued to your group.

## Does my deposit go toward my party?

Yes, your deposit paid prior to the date of your booked function, will be deducted from your total balance on the day.

Your deposit is non-refundable if you cancel within four weeks of your function date.

## How will my day run?

**Option 1** – If you are making one payment in total, please provide Reception with your expected attendance list and they will be checked off upon entering and payment can be processed at the completion of your event. If guests are paying individually, they can do so upon arrival at Reception. Your group will be given a unique coloured sticker as their ticket for entry which they wear on their shirt and each person will receive their animal feed. Guests then enter the farm and straight into the activities on offer here, linking up with everyone around the farm.

**Option 2** – Those who have been nominated to set up any decorations or food for the event, will be able to gain entry to the barn 15 minutes prior to your booked time to start. If you are making one payment in total, please provide Reception with your expected attendance list and they will be checked off upon entering and payment can be processed at the completion of your event. If guests are paying individually, they can do so upon arrival at Reception. Your group will be given a unique coloured sticker as their ticket for entry which they wear on their shirt and each person will receive their animal feed.

As a large group, it works best if you complete the activities at your leisure, rather than be taken to each activity by your Farmer. Your farmer will remain around to assist you in any way required however.

At the end of your booking time, we ask that you vacate the barn, leaving it clean and tidy, so we can prepare for the next booking. You are more than welcome to continue to stay on the farm, repeating the activities as many times as you like until we close!

# THINGS TO KNOW

## Can we come in before the event? Can we use the barn?

There is NO entry into the farm prior to the booking time for guests.

Only Option 2 includes the hire of the barn in your pricing. You have the barn hireage for the following hours (9.45am to 12.00pm or 12.45pm to 3.00pm). Unless agreed otherwise. After this period, you must vacate the barn on time so we have ample time to clean up and prepare for the next.

## What do you provide if we need to use the BBQ?

Cooking utensils, tomato sauce, oil and gas are provided with the package. Please ensure these remain in the barn. Please keep the BBQ area tidy and cook safely (Option 2)

## Is Kiwi Valley smoke free?

Yes, our farm is smoke free. Please, keep the air clean for our children and refrain from smoking on the property.

## Is parental/guardian supervision required?

Parents/guardians you are ultimately responsible for the safety of those in your care, so please supervise them around the farm. Be interactive – learning through recreation and entertainment is fun!
